by:Roseshimmer
(a poem for LOL month)

It's seen in texts
It's seen on your face
Seen in Cambodia, Ghana,
All over the place,

Spread it fast,
Makes you feel swell,
Happy October,
The month to LOL!

Weekday October LOL Poem

by:Blazepup123

Mondays are made for Meddling Mayhem!

Tuesdays are totally time for tests!

Wednesdays are wildly wet!

Thursdays are about throwing three thesauruses!

Friday is time for frying fish!

Saturdays are super scrumptious!

Sundays are for sunning in the sun!

LOL Month Story

by:Spinner119

It was Lily's first day of school. Her mom dropped her off and said she should come home on the bus. Lily went into the school and her mom went home. When Lily went home, her mom asked, "How was school today, honey?"

Lily replied, "Not very good. They said, I have to come back tomorrow."

TEACHER: **Bryton, would you please tell me how you spell "premium"?**

BRYTON: **P-R-E-M-E-E-Y-U-M**

TEACHER: **That's incorrect.**

BRYTON: **But you asked how I spelled it!**

From iTwixie's Care 4 U:

LOL is good for you! Here's why...
LOL to CHILL! It really relaxes you.
A good laugh can keep you chill for up to 45 minutes! How kewl is that?
LOL for a boost to your immune system! When you laugh, you actually help your body make more of the cells that keep you healthy... so your body can do a better job of fighting off germs and infection.

LOL for more endorphins! Endorphins are chemicals that your body makes that make you feel good. When you laugh, your body makes MORE!
LOL to take care of your heart. Laughing makes your blood travel through your body better, which helps your heart! Sounds crazy, but it's true!
Keep LOL'ing, girls! It's soooo good for you!

What do you want to know next about how to take good care of yourself? Write on iTwixie Admin's wall and tell us!
