Everyone is asking, "Whats up with the iTwixie Dog?"

Well last month she exploded onto the scene when she ate the October Chronicle and jumped on a train to New Zealand. What?!? Believe it.

Now she is traveling the globe in search of adventure and iTwixie girls.

This month's Chornicle features her adventures. So read on and keep an eye out for the iTwixie Dog around iTwixie.

### Bonjour, my kittens!

I, yes I, am the iTwixie cat. The iTwixie Dog was not the only one who knows where the chronicle went... I must say, you girls are quite hospitable, giving a heartfelt welcome to my very lovely friend the iTwixie dog.

What you do not know is that I, too, am a traveler and need some ideas on where to go first! Just comment on the wall and give me your ideas.

## Eye On You

by: iTwixie Mascot

was hired to watch the ItwixieDog, and ItwixieCat! then they ran away so i am going to track them down. my first stop will be NZ

---

so, i was going to go to NZ, but there has been a change of plans! ITA, and everyone else here at itwixie think i should go to Hershy park. Y? IDK. wish me luck!

---

i did not find them at Hershey park, so now i am going to look in Lassen Volcanic National park. It was covered in snow, until recently! when i get there, i am going to hike on the bum-pass hell trail. Again, I dont think I will find them there, but i was told by my research team, to look there.

Leaves fall in the autumn air,  
Utter silence, without a care,  
Crimson, amber goldenrod all around,  
A rustle, a crinkle, leaves strewn  
on the ground,  
Take it in these sights may  
soon be lost,  
When winter heralds the freezing frost
