## Riddle Me This

1. There are four girls, and four apples in a basket. Every girl takes an apple, Yet one apple remains in the basket. How is this possible?
2. What can run but not walk?
3. A bus driver was heading down a street in Colorado. He went right past a stop sign without stopping, he turned left where there was a "no left turn" sign and he went the wrong way on a one-way street. Then he went on the left side of the road past a cop car. Still - he didn't break any traffic laws. Why not?
4. What can make an octopus laugh?
5. What cup can not hold water?
